NEC Toshiba Space Systems, Ltd. Changing to NEC Space Technologies, Ltd.

Effective immediately, NEC Toshiba Space Systems, Ltd. has changed as follows: NEC Space Technologies, Ltd. Due to the volume of authorizations requiring amendments to reflect this change, the Deputy Assistant Secretary for Defense Trade Controls is exercising the authority under 22 CFR 126.3 to waive the requirement for amendments to change currently approved license authorizations. The amendment waiver does **not** include approved and/or pending agreements.

All currently approved DSP authorizations identifying NEC Toshiba Space Systems, Ltd. will not require an amendment to reflect the change to NEC Space Technologies, Ltd. A copy of this website notice must be attached to the currently approved license by the license holder.

Pending DSP authorizations received by DDTC identifying NEC Toshiba Space Systems, Ltd. as a party on the license will be adjudicated without prejudice. A copy of this website notice must be attached to the approved license by license holder.

New license applications received after **May 31, 2015**, identifying NEC Toshiba Space Systems, Ltd. as a party on the license may be returned without action for correction.

A copy of this website notice must be maintained by the license holder and presented with the relevant license to Customs & Border Protection at time of Shipment.

All currently approved agreements held by a third-party will require an amendment to be executed to reflect this name change. The agreement holder will be responsible for amending their agreement. The executed amendment will be treated as a full amendment per 22 CFR 124.1(c) and must be submitted as such. New DSP-83s must be executed as a result of the name change, as applicable.

Pending agreement applications that require amending must be brought to the attention of the assigned Agreements Officer by the agreement holder. The necessary changes will be made prior to issuance when the Agreements Officer has been notified.
